Mont-Libre welcomes a constant stream of visitors of all ages. We expect people to behave reasonably in this public setting. We welcome playing, laughter, and socializing in a public setting. We do not welcome bullying, swearing, and other hostile behavior, nor do we welcome excessive public displays of affection.

2. I will not bring drugs or illegal substances to Mont-Libre.

I will not be under the influence of drugs or alcohol while on the premises of Mont-Libre. The centre does not inspect its members' bags or belongings. However, possession of illegal drugs, weapons, or other contraband is not permitted at Mont-Libre. Items such as pocket knives, lighters, and cigarettes must be kept inside bags and pockets while on the premises of Mont-Libre. No one under the influence of illegal drugs or alcohol is welcome at Mont-Libre at any time.

3. I will not smoke cigarettes within sight of the building where the centre is.

Mont-Libre does not welcome cigarette smoking on its premises by anyone. Mont-Libre asks its members who smoke cigarettes to do so on public property out of sight of the building.

4. I will participate in making Mont-Libre clean and attractive.

All members of the community are expected to clean up their own trash, wash their own dishes, and contribute to the general attractiveness of Mont-Libre. The centre's chores will be shared and agreed upon by the members of the centre through change up meetings.

5. I am responsible, as is everyone, for the creation of a desirable community.

Everyone matters! Thank you.
